

# SALUTE to our Sponsors

The SPE Automotive Composites Conference would not exist without the gracious support of our sponsors, who underwrite the cost of facilities and equipment rentals, food and beverages, producing and printing our program guide and conference proceedings, and many other items, large and small. Hence, it is with great appreciation that we thank and acknowledge the contributions of the 2012 Automotive Composites Conference & Exhibition sponsors, exhibitors, and other patrons for making this show a success.
