

Hotel Discounts

To help attendees, authors, exhibitors, sponsors, and support staff attending the 6th-annual **SPE Automotive Composites Conference & Exposition**, we have arranged for conference discounts at nearby hotels. Most of these hotels also have a free shuttle service that will take you directly to the MSU Management Education Conference Center where our event is being held. This may be helpful for those unfamiliar with our Detroit-area highways and not wishing to be stuck in gridlock during morning and afternoon drive times. All 4 hotels where we currently have discounts are close to the conference center. The 2 hotels in Troy are within 5 - 10 minutes of the event. The hotels in Bloomfield Hills and Rochester Hills are about 20 minutes away.

The Hilton Detroit/Troy, 5500 Crooks Road, Troy, MI 48098, +1.248.879.2100 or +1.800.HILTONS, or online at www.detroitroy.hilton.com. The rate is \$129.00 USD / night and includes a free shuttle.

The Embassy Suites Hotel, 850 Tower Drive, Troy, MI 48098, +1.248.879.7500 or +1.800.EMBASSY, or online at www.embassysuites.com. The rate is \$119.00 USD / night and includes a free shuttle. **Just mention The Society of Plastics Engineers** when making the reservation.

The Radisson Hotel Detroit-Bloomfield Hills, 39475 Woodward Avenue, Bloomfield Hills, MI 48304, +1.248.644.1400, or online at www.radisson.com/bloomfieldhillsmi.com. The **code for the discounted rate** is **SPE06**. The rate is \$109.00 USD / night and includes a free shuttle.

The SPE Automotive Composites Conference & Exposition traditionally draws a broad offering of sponsors, exhibitors, speakers, and attendees representing composite materials, processing equipment, additives and reinforcements, molders, trade associations, and media headquartered in the Americas, Europe, and Asia/Pacific. The diversity of organizations represented at this show emphasizes the global nature of the automotive industry and the increasing importance of the ACCE conference as a forum for automotive composites. This event provides an environment dedicated solely to discussion and networking about advances in the automotive composites industry – aspects sponsors and attendees alike indicate provide them with genuine value.
